STIPULATION

On March 9, 2016, the Court accepted Defendant Robert Anderson's guilty plea in the above-referenced matter and scheduled a status conference regarding sentencing for August 17, 2016, at 2:30 p.m. On August 16, 2016, the Court continued the status conference regarding sentencing pursuant to a stipulation and proposed order filed by counsel for Anderson and the government requesting said continuance in light of a then up-coming January 9, 2017 trial date scheduled for Anderson's co-defendant, Scott Steever.

On November 18, 2016, Steever pled guilty to Counts 1 and 2 of the Indictment in this matter,

STIPULATION AND PROPOSED ORDER
CR 14-00639 EMC

and the Court scheduled Steever's sentencing for February 22, 2017. Due to health conditions experienced by Steever, by a stipulated order dated February 2, 2017, the Court continued Steever's sentencing to April 22, 2017. Due to Steever's anticipated surgery and post-surgery recovery issues, by a stipulated order dated On April 4, 2017, the Court continued Steever's sentencing to June 28, 2017.

At the sentencing hearing on June 28, 2017, due to Steever's medical situation, the Court continued Steever's sentencing to August 9, 2017. Due to continued medical-related issues, the Court again continued the sentencing hearing for Steever to take place on October 11, 2017.

Having met and conferred, counsel for Anderson and counsel for the government agree that resetting the Anderson case for sentencing to take place after Steever's sentencing serves the interests of efficiency and preserving court resources.

IT IS HEREBY STIPULATED AND AGREED between the parties to this stipulation, with the Court's permission, that the sentencing hearing in the Anderson case scheduled for October 4, 2017 at 2:30 p.m., be continued to December 13, 2017, at 2:30 p.m.
